

**a number of businesses offer valid American Legion Veterans privileged discounts as a way of quietly expressing thanks to the military and their families?**

**Bear in mind, that NOT ALL LOCATIONS participate...** as each location is free to grant such courtesies at their own discretion. Secondly, it's not the amount or type of discount that matters, but that they do honor a gratuitous acknowledgement of the sacrifices our military members make on a daily basis. If you are member of a military family or valid American Legion Member, you may enjoy discounts offered by the businesses listed below.
